

GLOBAL
AUTOMOTIVE
AFTERMARKET
SYMPOSIUM

ACCELERATE YOUR CAREER

CHOOSE AFTERMARKET

Looking to start your career in the automotive aftermarket? With more than 250 million vehicles in the U.S. and Canada that need parts or service, the aftermarket is a rewarding career choice. An automotive scholarship can help open the door.

MOVE AHEAD

The **Global Automotive Aftermarket Symposium (GAAS)** and more than 20 additional organizations award automotive scholarships each year. Visit www.automotivescholarships.com to get started. Your completed application will automatically be considered by every organization where you meet their qualifications. More than 1,500 scholarships have been awarded since 1998.

Applications must be completed by March 31, 2012.

**SCHOLARSHIPS
AVAILABLE**

GAAS Scholarships are awarded thanks to generous donations and grants from several organizations.
