

**2010 TIVA Industrial Promotional Video Competition
Rules and Conditions**

1. Videos must be between **three** and **four** minutes long.
2. The video must include **footage from the Summer Conference showcasing Industry involvement**, such as hands-on industrial training, workshops, and exhibitors.
3. The video must include student endeavors and the life impact of T&I training, such as SkillsUSA, district/state/world competitions, classroom involvement, job placement, and community interaction.
4. Videos must be **suitable for use as industrial promotional materials** for the Texas Industrial Vocational Association.
5. A **Submission Form** signed by the active TIVA member must be submitted.
6. **Student Release Forms** of anyone who appears in the video signed by the parent/guardian of any student under 18 must be provided.
7. Only active TIVA members are eligible to enter the competition. **Only one active TIVA member may work on an individual submission.**
8. The \$1,000.00 prize will be given to the winning TIVA member to be used at his or her own personal discretion.
9. **No copyrighted material may be used.**
10. The video must be an original compilation by the TIVA member. Old clips and material may be used from previous endeavors of the TIVA member, but must be combined with current footage and editing to create a new, relevant product.
11. TIVA may use stills, clips, or the entirety of certain videos in print, on the web, or for industry advertisement **at their discretion.**
12. TIVA does **not** return video entries.
13. The TIVA member submitting the video is **not** required to appear in the video.
